

# Junior Sensory Woodland Explorers

**JULY & AUGUST - WEDNESDAYS OR SUNDAYS 1.5HR SESSION**

**Thematic Sensory experiences & learning through play.**

**Perfect for: Children aged 4-6 years who need an extra boost in all areas of development, Including: play skills, self-regulation, communication & behaviour support.**

- Junior explorer small groups will have a maximum of 5 children with 1 additional staff member. It is recommended that 1 parent remains with their child during the session to help empower their little learner to fully enjoy & engage in all activities.
- Each session is facilitated by Judith Riddell, an experienced SEN teacher & her assistant. Judith has a wide variety of qualifications to empower each little learner & is also experienced & trained in using PECs & Makaton communication strategies if needed to empower understanding and transitions throughout the 3 areas for all little learners.
- During each sensory woodland experience the children will take a journey through all 3 learning areas with lots of interactive & sensory activities in each area. The children will be encouraged to explore and experience all areas in set activities but there will also be time for free choice and free play of preferred activities.
- For little learners who are just starting to walk or for children who find transitions difficult, there are 4 wheeled trucks to help transport children safely through all the different areas over the 1-acre site.
- For each woodland sensory session, ALL resources are provided within the inclusive price. Free tea/coffee is also provided for adults who are requested to remain onsite during all sessions. Feel free to bring your own picnic or cake but no alcohol is permitted.
- For safety, please return all medical and allergy permission forms prior to your session.
