

Monitoring Toilet Training Times

| Toileting Times | | | | | | | | | |
|-----------------|--|--|--|--|--|--|--|--|--|
| Monday | | | | | | | | | |
| Tuesday | | | | | | | | | |
| Wednesday | | | | | | | | | |
| Thursday | | | | | | | | | |
| Friday | | | | | | | | | |
| Saturday | | | | | | | | | |
| Sunday | | | | | | | | | |

CODE: ✓ =peed in pot != poeed in pot w=wet d=dirty 😊=dry

** Teaching Interoception needs is really challenging especially with non-verbal children. So remove your stress & first simply monitor & write a note every-time you change your child before you even start any sort of Toilet training & co-regulating your child's needs will be much easier!
