

Sensory Santa Family Bubble Sessions Woodland Experiences 2022

Christmas Sensory woodland experiences & learning through play.

4 days ONLY= Friday 16th December, Saturday 17th December, Sunday 18th December
& Monday 19th December 2022

- Family Bubble Sensory Santa sessions are back for 4 days ONLY! 16th-19th December 2022
- Each session is 45minutes & provides private access to the 4 sensory woodland areas for your family bubble (Maximum 10 people per family bubble.)
- During each sensory woodland experience the children will take a journey through all 4 learning areas with lots of interactive & sensory activities in each area. The children will be encouraged to explore and experience all areas in set activities but there will also be time for free choice and free play of preferred activities.
- For little learners who are just starting to walk or for children who find transitions difficult, there are 4 wheeled trucks to help transport children safely through all the different areas over the 1-acre site.
- Each session is facilitated by Judith Riddell, an experienced SEN teacher & her assistants. Judith has a wide variety of qualifications to empower each little learner & is also experienced & trained in using PECs & Makaton communication strategies if needed to empower understanding and transitions throughout the 3 areas for all little learners.
- For each woodland sensory session, ALL resources are provided within the inclusive price. Free tea/coffee is also provided for adults who are requested to remain onsite during all sessions. Feel free to bring your own picnic or cake but no alcohol is permitted.
- For safety, please return all medical and allergy permission forms prior to your session.
